Cincinnati

OAKWOOD,
CLIFTON.

4th Novr 1879.

George Engelmann Esq

Dear Sir,

Would you oblige me by
a copy of your published des.ⁿ
of Amⁿ Fins by Express C.O.D.?
I should prefer a bound copy.

In looking over the copy which
I own, once belonging to Linnaeus,
interleaved, & full of his manuscript
notes on each page, of my *Pinctum*
Noburnense. ^{Vol 4. page 1418} Lambert's own copy of
his work, *Savina*, *Carniae* & *Gordai*
I am slightly confused. All
x published 1839!

The English Nurseries Catalogues
of this year offer *Thuja gigantea*,
as a synonym of *Sib. decurrens*.

Now I wish to order *Abies*
Morinda, but half of them, call
Menziesii, *Morinda*. They are
quite as different as the above
named. -

Whenever you visit Camb.
it will give me pleasure to have
you spend the day at Oakwood.

Your friend & obt. servt
Henry Probasco,

Morinda = *Smithiana* = *Picea* or *Spruce*
El. Spruce *Morinda*

L. decurrens = *Th. gigantea* *Carrière*
non Nutt.
